HEAVY PLUNGE ON J. C. CORE

GARRY HERMANN GELDING LANDS THE AT-LANTIC STAKES AFTER EXCITING RACE.

James R. Keene Shows Up Another Likely Youngster in Suffrage, the Medium of a Coup-Big Crowd at Brighton Beach.

New York, July 16.—There were at least 15,000 people at Brighton Beach today, notwithstanding the fact that it was Monday and the card was mediocre in the quality of its offerings. The Atlantic Stakes, a two-year-old selling affair at five and a half furlongs, was the feature of the card. On paper it promised little, but the actual race proved exciting. J. C. Core, ridden by Miller, was the heavily backed favorite and finally won out after one of the most desperate efforts to get up that has been seen hereabouts in years.

J. C. Core, ridden by Miller, was the heavily backed favorite and finally won out after one of the most desperate efforts to get up that has been seen hereabouts in years.

Maiden jockeys disported themselves in the opening race, at a mile and a sixteenth, under selling conditions. Starter Dade took his time arranging an equable start. The fastidiousness of the starter in that respect in an affair of this kind proved highly amusing to the spectators. Devoting infinitely more time and attention to this motley band of hovices than he did to the field in the Brighton landicap, the starter was rewarded with one of the very worst starts ever seen anywhere. Yorkshire Lad proved the best and brought Englander his first brackets. Barney Schreiber's Earl Rogers should have been in the money.

Kassil, at 8 to 5, received about all the backing that was forthcoming for the steeplechase and he never gave his following a moment's doubt. The swaddled Yama Christy finished a late second.

Withdrawals marred the mile and a sixteenth handicap, Agile, for the first time this season, raced in winning form and met an unlucky defeat at the heels of Garnish. Orly, a slow beginner, had not much chance to show what he is capable of.

In Suffrage, the winner and medium of a big coup in the last race for three-year-old maidens, J. R. Keene uncovered an uncommonly good looking filly, by Voter out of Queenston.

Jockey H. Cochram was hailed before the stewards after dismounting from Arimo in the third race. Heut slamply across in front of the others at the start and put the heavily backed favorite Arcite, as well as Tourenne, out of commission. Those who saw it expected to hear of his speedy fine and suspension, but it seems that the stewards, gave him the benefit of the doubt and let him off on hearing his explanation, which was to the effect that he had found it impossible to prevent George S. Davis from darting over to the rail. The horse is known to be erratic and that saved the jockey and his backers.

CAPTAIN WILLIAMS SEES RAM'S HORN WIN

CAPTAIN WILLIAMS SEES RAM'S HORN WIN.

New York, July 16.—Captain Jim Williams of Kentucky, saw the race for the Brighton Haudicapall right. When he was stopped early in the season because of the forfeits against him, Williams went home to Kentucky, leaving the horse with his son. The probability of a victory in the Brighton, however, proved too great a temptation for the old man, who took a train for this city on Thursday and sent word to some friends that he wanted to see the race. A badge was secured for him and Captain Williams got past the eagle-eyed Pinkertons on the gates. He went up in the grandstand and sat down, apparently secure in the belief that he would not be discovered. But when the horses were being saddled, le grew nervous and went down upon the brick "lawn" near the judges" stand to get a better look at the horses as they paraded to the post. In a noment a hand was placed on his shoulder and Robert Pinkerton said to him in low tones:

"Captain, you will oblige me by leaving the racetrack at once. It is the Jockey Club's orders, you know."

"All right, sir," was the quick reply. ""Il go."

"All right, sir," was the quick reply. ""Il go."

"All right, sir," was the quick reply. "I'll go."
The old fellow started toward the gates and Pinkcrton turned away. Then Williams hurried up into
the grandstand, saw Ram's Horn win and departed
in a happy mood. As the race was worth \$20,000
to the winner, the chances are that the unpaid forfeits will be made good by the son, so that the
father can enjoy racing on the old footing.

PHANTOM LIGHT WINS FEATURE AT SALEM.

Salem, N. H., July 16,—This was an off day at Rockingham Park and a small crowd was in attendance. The weather was ideal and the track fast. James Griffin's bay filly Phantom Light had no difficulty in capturing the Wellesley Handicap of \$1,000 at five and one-half furlongs straightaway, for two-year-old fillies. She was in front all the way. The sixth race furnished the most exciting and closest finish of the day. Rockingham won by a short neck from Katriona. The other races were ordinary and lacking in interest. In the last race liaticloud was crowded to the rail at the half mile post and threw jockey Sheffield. The boy, however, was unhurt.

RACETRACKS OFFERED FOR STATE FAIR.

Louisville, Ky., July 16.—The Kentucky State Fair, which was formerly held at Lexington, is to be permanently located at Louisville. The Merchants Association has pledged the fair commission \$165, 000 for the purchase of grounds. The site is to be selected this week. The State Fair this year, which begins on September 17, will be held either at Douglas Park or at the grounds of the Louisville Jockey Club. Charles F. Grainger, president of the latter club, has tendered the grounds free of charge to the State Board and Louis A. Cella, principal owner of the Douglas Park track, has made the same liberal offer.

DALLAS WANTS A ST. LOUIS GRANDSTAND.

Dallas, Tex., July 16.—The directors of the Texas State Fair Association have opened negotiations by wire for the purchase of the steel grandstand at the St. Louis Fair Grounds. If the structure can be purchased it will be taken down at once by Captain L. S. Flateau, of St. Louis, and shipped here by fast freight. The stand at the fair grounds was demolished by a tornado about thirty days ago and must be replaced before October 13, when the fair and race meeting will be opened.

JOHN CARROLL RUNS A SPLENDID MILE. Carries 122 Pounds and Wins in 1:39 2-5 After Being Kicked in the Ribs.

Cincinnati, O., July 16.—In the mile condition race, which was the feature of the Latonia program today, Edward Corrigan's crack sprinter John Carroll, put up the best performance he has shown this season, carrying 122 pounds and beating a speedy lot quite handly in 1:393. What made the race all the more notable was the fact that the colt was kicked in the ribs by Major T. J. Carson while at the post. He was outrun in all the early part of the journey and at the head of the stretch hardly seemed to have a winning chance. Responding gamely to Nicol's call, however, he gradually wore down the leaders and placed to his credit, all things considered, about the best mile that has been seen in the west this season. Sister Frances, which was favorite in the race, had been industriously touted as the best thing of the day. This fast filly had shown some very phenomenal work, covering seven furlongs close to 1:26 and doing it with something in reserve. She was badly handled today and will show improvement.

William Gerst's Stoddard was much the best in the steeplechase over the long course. He was reserved from the early pace made by St. Enoch and Signund and at the end had all the speed, winning as his rider pleased by five lengths from Signund, Gould was third, fifty lengths back, but was disqualified for running out at the last jump in the field, which gave Pierpont third money. St. Enoch and Gouldealer and H. M. P. fell.

After investigating the charges of fighting in races against Nicol and Hall, the judges fined both jockeys \$50 each and cautioned them that a repetition of the offense would mean a suspension.

The horses handled by F. Bruhns, who died Saturday, will be taken in charge by various horsennen. H, Franklin will campaign McIlvain, Prince Ahmed, Javanese and two two-year-old fillies. J. C. Ferriss, Jr., will take Ocanya. Ousel and Myrth. These are the property of J. G. Greener. J. Walters will take charge of Manfred and Velours will be turned out until next spring. The dead turfman's remains were sent ye

ONLY TWO FOR THE TALENT AT FORT ERIE.

ONLY TWO FOR THE TALENT AT FORT ERIE.

Buffalo, N. Y., July 16.—Only two favorites managed to catch the eyes of the judges at Fort Erie today. Hyperion II. in the third race was the first winning favorite to gladden the hearts of the talent and Rusk in the sixth was the other one. The fourth race was robbed of some of its interest by the withdrawal of Blondy 'and the result proved disastrous to followers of the favorite, for the neglected Reside took the measure of the short priced ones, Jerry Sharp and Boola. Onardi, shipped lere from Latonia, ran second in the second race under a poor ride with the fancy price of 30 to 1 against his chances.

The horses in training belonging to the estate of William Hendrie will be sold in the paddock at Fort Erie, Thursday next, at noon. The following are the horses to be sold: Light Brigade. Scarfell, Glimmer, Partiality and Kelple.

Brand New was bid up \$200 over his entered price of \$500 after winning the seventh race, but was bought in by his owner.

ROCK SAND NOW EN ROUTE TO KENTUCKY.

New York, July 16.—Rock Sand, the six-year-old brown stallion, by Sainfoin—Rocquebrune, which August Belmont bought in England in April for \$125,000, arrived here on the steamship Minneapolis this afternoon. The famous horse stood the journey well. Rock Sand had as fellow passengers on the trip, a dozen handsome Percheron stallions, consigned to another owner, but there was all the difference between the quarters of the Belmont racer and those of the draught horses that there is between the accommodations of a first-class passenger and a traveler in the steerage. Rock Sand occupied a carefully padded stall amidship of the vessel where the vibration and the rolling were at a minimum. Mr. Belmont was on the pier waiting Rock Sand's arrival. The horse was led out on the pier where his owner looked him over approvingly and then the animal, accompanied by the financier, was taken on a float to Jersey City, where he was put aboard a car attached to a Pennsylvaniarian and despatched for Mr. Belmont's stock farm train and despatched for Mr. Belmont's stock farm in Kentucky.

MAINTENON WINS THE PRESIDENT'S PRIZE.

In a magnificent finish with Punta Gorda, W. K. Vanderbilt's Maintenen won the race for the Prize of the President of the Republic, at Maisons-Lafitte in France, Sunday. The winner was ridden by J. Ranch. The race was worth to the winner \$20,000 and a gold cup. Mr. Vanderbilt having bred the winner, secured an additional \$800. The distance of the race was one mile and nine-sixteenths and the time was 2:38. There were eleven starters, the favorite being Mouline la Marche, which finished unplaced. Mr. Vanderbilt is now securely at the head of the list of winning owners.

BREAKING GROUND FOR NEW TRACK.

New York, July 16.—On ground owned by the Westchester Racing Association, in the rear of Belmont Park, Queens, L. L., a steeplechase course to be used by the United Hunt and Steeplechase Association in 1907, is being laid out. A grandstand will be erected and all the appurtenances of first class steeplechasing will be ready for the United Hunts when the time comes.

JUST ANOTHER "YELLOW DREAM."

New York. July 16.—Newspapers here and away published this morning a report that C. E. Rowe would protest the victory of Ram's Horn in the Brighton Handicap on the ground of irregularity in the registration of ownership. This was denied today by Mr. Rowe. "I have at no time contemplated such action," said he.

GO BETWEEN CASE IS CLOSED.

New York, July 16.—It is stated here on good authority, that the Shields-Go Between case, as far as the Jockey Club is concerned, is closed, the stewards having decided to make no further move toward penalizing the men who ran Go Between as a gelding before Shields got him out of a selling race a year ago.

TWENTY DEADING JOCKEYS.

Garner, whose saddle work at Rockingham Park has been excellent, entered the list of twenty leading jockeys last week, displacing Moreland, who was the tallender in the rating for the period ending July 7. Garner now ranks fourth in the matter of Percentage of winners ridden, Nicol leading with 34 per cent., Radtke being next with 28, and miller, who still ranks first in the number of winning mounts, third with 27 per cent. RECEIVING STABLE AT BELMONT PARK.

New York, July 16.—At Belmont Park there is in course of construction, and nearly finished, a large receiving stable designed for the horses usually brought up from Sheepshead Bay on the thoroughbred express during the Belmont Park meetings. Hitherto much time has been lost at the close of a day's racing in reshipping the Coney Island horses.

ONLY ONE BLACK HORSE TO WIN DERBY.

In England the other day a number of veteran turfmen were discussing this season's two-year-olds and the Derby of 1907. When Sileve Gallion's name was mentioned, the curious fact was brought out that only one black horse ever won the Derby. That was Smolensko, in 1813. Slieve Gallion is a black, and there were many in the group who were inclined to the belief that he will be the second black horse to win the blue ribbon. It was also observed that, though the house of Stanley has been so long connected with the turf, the St. Leger has never yet witnessed the victory of the black jacket and white cap. It has been almost as bad in the Derby, no Stanley having won it since 1787, when it was carried off by the famous Sir Peter Teazle.

RACING STABLE FOR PRINCE OF WALES.

The work of getting together a racing stable for the Prince of Wales has begun. Lord Marcus Beresford has been intrusted with the task, an excellent judge of thoroughbred horses. Already several highbred youngsters have been purchased, notably a Diamond Jublee colt and a Melton filly, and others will be added from time to time until the Prince of Wales' string will be worthy the owner. King Edward has given his consent to have his trainer, March, look after his son's horses, and later in the season his royal highness will doubtless take his place in the list of winning owners.
